Sedgewick Rink Wins Top Event in Men's Bonspiel

The George Anderson rink of Sedgewick, skipped by Normie Rose, defeated last year's winner Bill Keeley of Edmonton to win the Grand Challenge Event in the 11th Annual Men's Open Bonspiel that wound up at the Drayton Valley Curling Rink Sunday night.

The turning point in the game came in the eighth end when Rose squeaked through and almost impossible port to score three and go two up on Keeley who couldn't overcome the deficit in the last two ends.

Sixty-four rinks took part in the bonspiel that started Wednesday afternoon and ended Sunday evening.

Winners of the six-events were as follows:

Grand Challenge, Pembina Pipe Line Trophy--George Anderson rink of Sedgewick, Second, Bill Keeley, Edmonton.

Second Event, Drayton Valley Hotel Trophy, D. Trueman, Edmonton. Second, L. Peterson, Edmonton.

Third Event, Eskimo Division of Dresser Industries Trophy--H. Ganske, Drayton Valley. Second B. Telford, Drayton Valley.

Fourth Event, Redwell Servicing Trophy--Bob Bradford, Hinton. Second--B. Clemmer, Drayton Valley.

Fifth Event, Rose's Well Servicing Trophy--K. Kaufman, Edmonton. Second--J. McCoy, Edmonton.

Sixth Event, Janzen's Auto Body Trophy--Gary Bannard, Drayton Valley, Second R. Mattoon, Drayton Valley.

Visitors Aggregate, MacCalder Construction Trophy, George Anderson, Sedgewick.

Local Aggregate, Northwestern Utilities Trophy--H. Ganske, Drayton Valley.

Thursday, February 22nd was Thinking Day, the birthday of Lord and Lady Baden-Powell, the founders of the Girl Guide and Boy Scout movement. To celebrate, the Drayton Valley Rangers made a trefoil-shaped birthday cake and passed out pieces to customers at Blocks' Store. Pictured are Carol Rempel (cutting the cake) with Lynn Hurley (R) and Margaret Hammerlindl looking on.

Thirteen Attend Meeting

Expenditures by the Town of Drayton Valley reached a new high of $548,513.83 in 1967 but a surplus of $3,553 was achieved by increased revenues to offset advancing expenditures.

The thirteen residents who attended the annual meeting of ratepayers held in the Town Hall Monday evening were told that Centennial celebrations during the year proved no less expensive to Drayton Valley taxpayers than it did at all other levels of government across the country.

The town's assets increased considerably by the addition of extensive concrete and paving works as well as the completion of the Centennial Civic Centre, but the Secretary-Treasurer's report noted, liabilities increased similarly by the debenture borrowing necessary to finance the improvements.

Paul Kane High Wins North Title

A strong Paul Kane five downed the Frank Maddock High School, Drayton Valley 58-42 and Salisbury High School 51-39 to win the North Central Alberta B boys basketball crown and they will be travelling to Camrose Lutheran College on March 8th and 9th to compete for Provincial honors.

Paul Kane's afternoon game with our local Warriors was fast and thrilling and it proved truly exciting for the large crowd on hand. The Warriors let their opponents get ahead in the second quarter and they were not able to close the gap try as they did.

Paul Kane proved the superior team with their edge in age, experience and height but they found their hands full with the scrappy Warrior five.

On the scoreboard Bill Connauton and Pat Kane with 18 and 17 points respectively led the winners while Ken Bureyko with 12 points and Doug Ibbotson and Don Bouschard with 8 apiece paced the Warriors.

In the finals Paul Kane again proved to have too much class for the favored Salisbury team as they downed them 51-39. Their tall center and fast break proved to be the deciding factor in this contest.

The local Warriors won themselves many a new fan in the Edmonton area with their colorful style and good sportsmanship and it is felt were good representatives of the numerous fine highschools in this northwestern region. The team has already set its sights on next seasons Northern Crown and is starting to work towards it now.

In the girls division Fort Saskatchewan again proved supreme as they had little trouble in turning aside Athabasca and Paul Kane to win their NCAA title in their class.

Committees Named by Chamber of Commerce

An executive meeting of the Drayton Valley and District Chamber of Commerce at noon last Thursday attracted a good attendance of members and appears to indicate the Chamber is off to a good start for 1968.

Membership has been under study by a committee which suggested changes in the present fee structure. The fees were reduced a year or so ago in the hope of bolstering membership but failed to accomplish results.

The committee compared the local membership fees with those elsewhere and found Drayton Valley to be far lower than normal. It was felt that some changes should be made inasmuch as the Chamber has only membership fees as operating capital through the year.

The committee is continuing its study and will bring in further recommendations.

Appointment of committees was made at the meeting as follows:

Membership, W. Peters, Ken Retallack, A. Zubot, M. La Tosky; Agriculture, W. Sekura, W. Ratzlaff, M. La Tosky; Civic Affairs, R. Smith, D. McKenzie, R. Wickens; Retail Business, K. Retallack, H. Nelson, M. Kublik; Educational, M. Kublik, A. Zubot, D. Strocher; Highways, R. Burrows, J. Moody, W. Sekura; Program, D. Strocher, D. McKenzie, J. Moody; Tourism & Publicity, R. Mayhew, B. McGlone, R. Burrows; Industrial Development, D. McKenzie, F. Neil, R. Mayhew. First named is chairman in each case.

Fish and Game Meeting Thurs.

Regular monthly meeting of the Pembina Oilfield Fish and Game Association will be held at 8:00 p.m. on Thursday, February 29th in the Goliad Building.

Election of officers for the current year will be a major item on the agenda.

Belated birthday greetings to Kees and Steve Lysak who celebrated their birthdays January 6th and 7th. Also to Roger Rasmussen who celebrated his birthday on February 13.

Bob and Dolores Stewart, Dale and Terra of Devon were visitors in the Rocky Rapids, Round Valley and Tomahawk areas over the weekend.

The talk around these days are "Have you got your phone in yet". We are supposed to be hooked up by March 19th 1968. Hope that is right, we are all looking forward to having our phones installed and working.

Mr. Joe Blatkewictz and baby Wade Blatkewictz are in Drayton Valley hospital.

The Cecil Kelly family are proud owners of twin calves. I'll bet Bonnie and Gordie don't need to be coaxed to go out and look after them.

A large crowd of friends and neighbors turned out for the Valentine-Hallett wedding dance Saturday night. We should have more details of the wedding next week.

Sam Domke has been quite ill with pneumonia. Hope you are feeling better now Sam. The flu bug has caught up to most of the residents in the community.

Little Mardy Harke went to hospital Saturday. Grandma didn't know for sure what was wrong but he was a pretty sick little boy. Hope you are home with Kathy and Mommy soon Mardy. Daddy, Harold Harke was home one day last week. Harold is still up at Slave Lake.

Congratulations to Earl and Ramona Rasmussen who celebrated their 15th wedding anniversary on February 18th.

District 4-H Council Plans Many Activities

CAROLINE ROSADIUK,
4-H Reporter.

The Stony Plain District 4-H Council met at the Smithfield Hall last month to discuss Council activities for the coming year. Council membership will total about thirteen clubs this year.

Of the many activities planned for the coming months, the annual Public Speaking Contest was discussed first. It has been decided that the semi-final for the west end, which includes all clubs west of Duffield, inclusive, will be held on March 29th at the Sundance Hall. The east end semi-final will be held on April 11 at the Blueberry Hall.

These two semi-finals will terminate in one contest for the entire District Council area to be held at the Duffield School Auditorium on April 18. Besides the council representatives, two guest contestants from the Edson area will also compete. The public is welcome to attend all three functions.

Among other topics of discussion were the District 4-H Rally, Curling 'spiels, the Camp He-Ho-Ha project, and the Cattle Judging Competition. The original date for the District 4-H Rally has been cancelled due to date conflicts. It will now be held some time in April. Each club has been asked to prepare a skit or variety act of approximately eight minutes in length which will be judged that night, and the best will be awarded a trophy.

Curling has become very popular in the Council's winter planning. Two curling meets have been proposed besides the large Regional Bonspiel to be held at the Sportex building on March 16th. The Stony Plain District Council will hold a "warm up" spiel on February 24th at Stony Plain. A north-west region curling bonspiel to which surrounding clubs will be invited has also been planned for April 6th at the Spruce Grove rinks.

A Model Farm will be constructed at Camp He-Ho-Ha for the Crippled Children's summer camp and will consist of miniature pens and a barn housing various young animals common to farms.

The Cattle Judging Competitions for the east end of the Council region will be held on April 17; for the west, April 19th. Places and exact times will be announced at a later date.

The Annual Edmonton Regional 4-H Council met late in January at which time a resume of 1967 was given and a new executive elected.

Library Board Seeks Building

Late last fall an Entwistle Library Board was formed and early in 1968 the Government granted us a Charter. The Board is looking for accomodation for the main office.

While they have received offers from the Stony Plain School Division and the Entwistle Village Council, circumstances are such that at this time we cannot take advantage of these.

A third offer would require that the Library Board provide a suitable building. Does anybody have one reasonable or free? If so apply to secretary, Shirley Sullivan, Entwistle.

Legislature Report

By Tony Cox

The long awaited announcement concerning revision of Alberta's Oil Sands policy, tabled in the Legislature last week by Premier Manning, will allow greater development and expanded markets for petroleum.

The policy changes permit the maximum allowable daily oil production to increase to 150,000 barrels from the present ceiling of 45,000 barrels produced by Great Canadian Oil Sands Ltd., the only firm now processing the sands.

The new vista of expansion will not affect petroleum companies wishing to develop the oil sands if their market outlet is beyond those of the North American pro-rated system.

Premier Manning also announced royalty procedures will be altered from assessment of the synthetic crude and sulphur to one applicable to the raw bitumen recovered at its value on the site.

Mines and Minerals Minister A.R. Patrick said this revised method will increase refining of the products in Alberta. He also revealed Japex Canada Ltd., a Japanese company, is extremely interested in developing the oil sands, producing more than 200,000 barrels a day and shipping the synthetic crude via a new pipe pipeline to the West Coast, destined for Japanese and European markets.

The Government announced operational grants to Universities will be raised from $2,315 to $2,440 per student. Education Minister Ray Reierson also said that $185,000,000 will be made available during the next five years for university capital construction. This is up $10,000,000 from the previously announced figure of $175,000,000. It is being made available on the understanding that $32,000,000 is consigned to medical faculties in Edmonton and Calgary.

A preliminary report by the Board on Post Secondary Education, dealing with the broad spectrum of future educational facilities, with special reference to the possible establishment of six to eight junior colleges, should be ready for release later this year, said Mr. Reierson.

The mimimum years of teacher preparation for those wishing to teach in Alberta schools has been raised from two to three years. The Education Minister said the new requirement, which becomes effective September 1, 1968 also means a full teacher must have a college degree. The School Act will also be revised this session permitting instruction in French from grades 1-12 for up to 50% of the student's time.

The drug option under the Alberta Health Plan will be modified June 30th, at the end of the contract year. The Minister for Public Health, Doctor Ross said he was still uncertain about the premium structure for basic services under the AHP but commented "it appears to be carrying itself".

Doctor Ross tabled the annual report of the Board of Visitors, a private organization authorized to investigate institutions under the control of the Health Department. While complimenting some, it was most scathing of the Alberta Hospital in Edmonton.

The Board reported excessive over-crowding, poor furniture, inadequate toilet and bathing facilities. It recommended a chapel should be built and expressed amazement that none existed. The Board was appalled that the criminally insane should share the same facilities as the mentally ill.

The planned $420,000,000 nine thousand mile road grid system for Alberta over the next 20/25 years has been post poned at least for a year because of the tight money situation. But Highways Minister Taylor says he will ask the Legislature to continue the contingency and natural resources road grants to municipalities and counties. Legislation will be introduced this session making it mandatory for all automobile headlights to be plain white, added Mr. Taylor.

EDITORIAL COMMENT

New Day Coming In Politics . . .

Recent events in the nation's capital have created a stir felt from the grassroots to the top levels. Absentee members (we remarked about this in an earlier editorial) were the cause of the latest uproar aided by concern by representatives for party interests ahead of those of the nation.

Absenteeism, if it isn't cured, should at least be improved by events of the past week. Political parties must also know that Canadians are becoming increasingly disillusioned with the manipulation of party politics.

The day is coming when more little corners of the country will begin electing free-thinking independents dedicated to the national cause and determined to serve the interests of their constituency without affiliation of any sort. And from these little corners it will snowball unless the established parties prove their ability to clear up the current mess and keep the nation's business moving progressively.

Good Suggestion From Weeklies . . .

The Alberta Weekly Newspapers Association apparently feels there is a connection between the length of time from the last publication of weeklies across the province and voting day the following week and the failure of voters in almost every civic election to make a substantial showing at the polls. Accordingly, the association has petitioned the Alberta Cabinet for a change in voting and nomination days to the latter part of the week to permit more effective coverage by the weekly press.

We believe such a change could play a major role in improving attendance at the polls. Presently almost all weeklies come off the press on Wednesday with forms closed usually to anything taking place that day. This means that a week goes by from the time of printing any news of the election until it takes place the following Wednesday.

If nomination day and voting day were changed to Thursday or Friday, weekly papers would be issued a day or so before the event to remind readers of something occuring within a matter of a day or two rather than seven days as at present.

Any step that might help improve the number of electors turning out to vote would be welcome and we hope the Cabinet takes a good look at what we think is a worthwhile suggestion by the A.W.N.A.

For Businessmen To Ponder . . .

BUSINESS will continue to go where invited and will remain where appreciated.

REPUTATIONS will continue to be made by acts and continue to be lost by one.

GO-GIVERS will become the best go-getters.

THE "EXTRA MILE" will suffer no traffic jams.

PERFORMANCE will continue to outsell promises.

ENTHUSIASM will continue to be as contagious as ever.

PEOPLE will go right on preferring to do business with friends.

Summary of Recent Activities of O.O.R.P.

Associate Royal Lady Virginia Munro presided at the January 2nd meeting of the Drayton Valley OORP due to the illness of Honored Royal Lady Vera Hazzard. There was a small turnout of members and only the necessary business was transacted.

The January 16 meeting saw Past Honored Royal Lady Elvie Williams in the chair with Honored Royal Lady Vera Hazzard still on the sick list. Eighteen members and 3 guests from Gainford Lodge were present. District Deputy Supreme Honored Royal Lady Walsh made her official visit of inspection to our Lodge. She was quite pleased with the way the ladies carried on their work.

Twelve ladies from the Drayton Valley Lodge participated in the OORP Bonspiel at Breton, January 19th and 20th. Although no major prizes were won, all reported a very enjoyable time.

Sixteen members were present at the February 6th meeting. All were pleased to see H.R.L. Vera Hazzard back at Lodge. From letters received from our adopted patient it seems that she may soon be discharged from hospital. With the absence of Honored Royal Lady Hazzard, Past Honored Royal Lady Gladys McMorris took over the February 20th meeting with 26 members present. Four ladies Mrs. Mary Reynolds, Mrs. Lynn Merschel, Mrs. Thelma Cuthbertson and Mrs. Marnella Urchyshyn were initiated and welcomed into the lodge.

With the departure of Lady Agnes McDonald from Drayton Valley it was necessary to elect a new Inner Guard. Lady Kay Meraw was elected unanimously.

The ladies decided to again serve coffee and doughnuts at the Blood Donor Clinic to be held in Drayton Valley on Monday, April 22nd.

The ladies enjoyed a delicious lunch and a chat with the new members at the close of the meeting.

DIAMOND SEARCH

De Beers, the famous South African diamond mining firm, seems determined to find the hard brilliant mineral in Canada, reports Canadian Jeweller.

It made a search in northern Ontario six years ago in a secret program that never was reported on publicly. Now it has staked the whole of Ile Bizard, a 9,000 acre residential suburb on Montreal's northwestern flank.

This is not the first time the island has been staked--claims were filed there in 1954.

Thirteen Attend Annual Meeting

Cont. from Page 1

Treasurer's report, the Recreation director reported activities in his field and the Mayor and Chairman of the Protection to Persons and Property Committee also presented reports. A lively question period extended the time of adjournment to close to 11:00 p.m.

As is usual, property taxes made up the largest portion of the revenue dollar. Real property taxes contributing 48.23 cents, business taxes 3.37 cents and local improvement taxes 16.30 cents. Of the remaining 32.10 cents senior governments provided 12.89 cents, the recreation program brought in 4.56 cents and the remainder of 14.65 cents was split up among service charges, homeowners' tax discounts, interest and penalties, licenses and permits, rents and franchises, fines and miscellaneous.

Real property taxes showed a marked increase over 1966, mainly due to the increase in the mill rate from 57.00 mills to 65.00 mills although the assessment continues to show some increase from the normal growth of the Town. Business taxes remain almost stationery with some indication of decrease owing to the movement of some of the larger oil oilfield supply and service companies from the town. However other services and sales firms are taking up some of this gap. The local improvement special levies continued to increase as a natural consequence of the increased amount of improvements completed. These levies are extended to show continued increases for 1968 and 1969.

The Senior Governments provided $70,827.00 up over $7,000.00 over 1966 and this came as a result of Winter Works benefits, recreation grants, hospital grants, grants in lieu of taxes, public welfare grants. Civic Defence grants, and the municipalities assistance act grant. The town is hopeful of these grants again during 1968.

On the expenditure side of the year's operation the meeting was told that costs were kept generally at the previous year's level with small increases anticipated in some departments for the ensuing year.

Education again rose to new expenditure heights last year being $14,000 over 1966. It is expected that 1968's expenditure will be even higher, possibly reaching a total of $130,000 compared to last year's $119,813.

The cost of maintaining and operating the recreation and community services program rose sharply from $31,733.00 to $54,326.00. A part of this rise is taken care of by the additional revenue received of $11,000.00 but there still was a net increase of $11,000.00 over the previous year. As in the case of most other departments it is expected there will be an increase of these costs in 1968.

The debt charges of the Town represent a quite considerable factor in the yearly budget. Out of the General Revenue Debenture Debt in 1967 of $116,065.89 $41,620-.17 had to be paid out of Revenue other than property local improvement levies. In 1968 the debt charges will be nearly $140,000.00 of which amount local improvements levies will take care of about $90,000.00 leaving $50,000.00 to be looked after from General Revenue Funds.

General Revenue provided for Capital Works expenditures in the amount of $16,223.39. Those expenditures included additional improvements to the arena, parks and cemetery improvements, additional fixtures for the Town Hall, purchases of a tractor, ice scraper and filing cabinets. During 1968 it is expected that some capital expenditures will be made from General Revenue, likely in about the same amount as for 1967.

Extra heavy expenditures were made during 1967 for Trade and Development items. Most of these were related to our Centennial celebrations, however the amount of $6500 for the General Plan was an expense not centennially related and not likely to be incurred again for some time.

The meeting was gratified to note that after examining the 1967 General Revenue operations the year was ended with a small surplus.

In the waterworks system though, the town was not so fortunate and came out $13,-391 in the red.

Some particularly heavy costs were encountered during the year in reservoirs and flowlines and repairs to pickups and motors. Heavy expenses are again anticipated this year with a major maintenance job required on the elevated reservoir, both inside and out.

The water and sewer rate schedule was revised recently by Council in an effort to compensate for losses sustained in the department over the past three years.

Rebels Outscore Vegreville 18-4 to Win "C" Series

The Drayton Valley Rebels crushed the Vegreville Prince Edward A's 15-3 at the local Civic Centre last Sunday afternoon. The victory was the second for the Rebels in the total point, two game series in the Alberta Amateur Hockey Association Intermediate "C" Playdowns. They defeated the Vegreville team 3-1 in Vegreville a week ago and therefore swept the total point series 18-4 by virtue of Sunday's rout.

Vegreville threatened in Sunday's game when Cowan picked up a loose puck near the Drayton net and scored to make it 1-0 for the visitors at the .22 second mark. The threat was short lived, however as Rod Colbert scored for the Rebs at 2:06 and again at 4:05. From here in the green and white machine never looked back and went into high gear scoring at will throughout the game. Barry Solnes made it 3-1 at the half way mark in the period. Barry Ness scored on a fine play from Dave Boulter and Dan Borne at 12:14 and Frank Novosel got goal number 5 for the Rebels on a neat zig zag pattern from Dunn and Colbert to close out the scoring in the first session at 14:52.

The trend continued in the second when Doug Hall took a short pass from Ken Machan in the center ice area, split the defense and went in to score on a beautiful solo effort at 2:15. Vegreville put on some pressure and Novosel was penalized for elbowing at the eight minute mark. Here the Rebels displayed excellent penalty killing techniques as Hall, with a sensational exhibition of stickhandling, ragged the puck for some 30 seconds while the frustrated visitors tried desperately to get control. Novosel had just returned to the ice when Jim Dunn struck with two lightening fast goals, one at 10:10 and the other at 10:48 to boost the score to 8-1. Big Ed Kasian of professional hockey fame scored for Vegreville at the twelve minute mark to make it 8-2. The Rebels, however, were still on the rampage. At 15:10 Machan sent a rink wide pass to Dunn who relayed it to Novosel and Frank went in all alone to make the score read 9-2 in favor of the Rebels. Two quick scores, one by Barry Ness who stole a loose puck and went in unmolested to dent the twine at 17:30 and one by Ron Hemmingway on a close in shot at 17:49 put the score to 11-2 in favor of the Rebels.

Novosel got his third marker of the game opening the scoring for the rampaging Rebels early in the third period. Frank fired the puck from an impossible angle out from the left side of the net, but it hit the back of the goalie's pad and ricocheted into the net for goal number twelve. Hall scored at the five minute mark on a pass from Hemmingway to put the Rebels into 13-2 lead. Jim Dunn got his hat trick at the ten minute mark when the Rebel goalie Barry Pankewicz cleared the puck with a long pass to Ness at the blueline who forwarded it to Dunn. Jim easily beat the defense and scored on a long corner shot. Kasian got the third Vegreville goal at 13:22 and Frank Novosel closed out a four goal effort with the final goal of the game at 15:51 on a pass from Colbert who played a great part in the Rebel cause.

A crowd of some 374 persons watched Sunday's game. The three stars of the game were Dunn, Novosel and Hall all of the Rebels.

From here the Rebels go on in Provincial Playdown action to face the winner of the St. Paul, Wainwright and Camrose series which must be completed by March 17. In the meantime the Rebels hit the exhibition trail. They play the Calgary Ashdowns in a doubleheader here next weekend at the Centennial Civic Centre. Game times are 8:30 p.m. Saturday night and 2:00 p.m. Sunday afternoon. One of the original Rebels, Jim Wilson is presently with the Calgary team and will see action with the Ashdowns here on the weekend.

BERRYMOOR NEWS

MRS. D. MARTIN
Correspondent.

Mr. and Mrs. Eugene Schwartz and Edward Fewster were visitors at the home of Mr. and Mrs. Edward Van Ember on Saturday evening, February 17th.

Albert Pischke and Edward Van Ember went ice fishing at Lake Wabamun last Thursday. They report not very much luck and were nearly frozen as well.

We note with pleasure that telephones are being installed in most homes in our district and hope that it won't be long until they will be put into service.

Mr. Ralph Thatcher has gone to Parksville, B.C. to visit his son Ronald and his family.

Mrs. Irene Davidson of Brooks, Alberta visited with her sister, Mrs. Florence Johnston over the weekend.

George Van Ember attended a bingo in Edmonton on Wednesday night. He reports that he did not have any luck personally but that Mrs. Mary Hopgood won a substantial amount. Mrs. Hopgood is a sister of Mrs. Edna Van Ember of Berrymoor.

A successful Tupperware Party was held at the home of Mrs. Shirley Martin on Tuesday afternoon, February 20. Thirteen ladies were present and spent an enjoyable afternoon. Mrs. Gladys Paul of Thorsby was the demonstrator.

Mrs. Donald Martin spent an afternoon with Mrs. Hattie Barrett one day this past week. Mrs. Barrett had a quilt in the frame and the two ladies spent the afternoon busily quilting.

Sam Tweedle had the misfortune to cut his foot with an axe a few days ago.

Mr. Bob Roberts is out and around again after a stay in hospital and a bout with flu.

The Berrymoor Three B's Club held their monthly meeting at the home of Linda Van Ember on Saturday, February 24th. Eleven members were present. The March meeting, which will be the annual one, will be held at the home of Olga Van Ember. All ladies who are interested in the club are asked to attend as a new executive will be elected.

Mr. and Mrs. Robert Shaw of Edmonton visited in the district on Sunday with relatives.

Miss Mae Martin spent the weekend at the home of her parents.

We have been informed that Miss Dayna Cropley has made plans to be married on April 20th. The wedding to take place at the Berrymoor Church Congratulations, Dayna.

We are sorry to report that George Van Ember has been confined to hospital again. And hope that he will be feeling well again soon.

Father and Son Banquet Held

The annual banquet of Cub and Scout fathers and sons was once again a very successful event and enjoyed by all those present. A number of persons deserve special praise for the time and work they contributed towards the preparation of the evening. A delicious turkey supper was prepared by the Ukrainian Ladies League. Thank you to Cub mothers, Mrs. Chenery, Mrs. Eustace, Mrs. McGregor and Mrs. Johaneson who helped the caterers serve the two hundred attending.

Following the supper, Gordon Hay, president of the local group committee introduced head table guests, leaders and their assistants and the executive of Cub and Scout mothers. Also present were the local clergy who work very closely with the leaders in helping the boys acquire their life and religion badges.

Due to a sudden bout of the flu our guest speaker was unable to attend and we extend a sincere thank you to Mr. Ray Wickens who came to our aid and gave a very enlightening talk on Cubbing and Scouting. He urged all those associated with the scout movement to continue their good work. He also asked that a greater interest be taken by the parents in learning what their Cub or Scout is doing, is expected to do and help him to do it.

Mayor Findlay expressed his congratulations and best wishes on behalf of the town council. He stated that he was impressed by the number of uniformed boys and that each should be very proud on belonging to Scout movement.

President of Cub and Scout mothers, Maureen Schwab, presented each of the leaders and their assistants with an engraved plaque. These gifts are a small token of appreciation for a big job well done.

To bring the evening to a close, a film on the 1964 Scout Jamboree at Valley Forge with some 15,000 boys attending; was enjoyed by all.

The Mothers' Auxiliary take this opportunity to thank the following: Pat Innis for the two lovely drawings of the Cub and Scout Emblems which will be seen hanging in the scout hall, Rev. Ingram for asking the blessing, Reg Samis for transporting extra tables and chairs, and Ervin Rendflesh for playing the piano.

Anyone still having Nabob coupons they wish to donate may phone Joan Erickson at 542-3444, Betty Wronko at 542-4380, or Maureen Schwab at 542-3930.

For March only the group committee meeting has been changed to the fourth Monday March 25th rather than the regular third Monday.

The last bottle drive was a big success. Thank you everyone for helping support your local Cub and Scouts. Another drive is being planned for some time after Easter and we'd like to mention that the boys also collect the unreturnable bottles.

Leprechauns Defeat Wabaman

The Drayton Valley Hotel Leprechauns came through with a slim 2-1 victory over the Wabamun Kings in a Pee Wee hockey game played at the Centennial Civic Centre last Saturday afternoon. This exhibition fixture was the first meeting between those two teams this season.

EVANSBURG

MRS. M. BRUNER,
Correspondent

Our mild weather still seems to prevail at this time so that the winter seems to be getting by very quickly.

As promised from last week here is a more detailed report of the meeting held by the District Agricultural Society. At this latest meeting, the directors discussed getting more help from the District Agriculturist's office in their efforts to promote better farm products in the area.

An agenda listing all the places of future meetings was drawn up and this, I believe will be mailed to each member. There are now 84 members in the Society and anyone wishing to join is welcome

Discussion took place on the bingo to be held on March 15th in Wildwood. A quilt is also being made for raffling to to a lucky winner. The second draw in this raffle will be a fruit cake. The prize for the third draw will be announced later.

Mr. Pugh gave a short talk on getting grain samples ready for the fair. There was also a discussion on putting in a floor in the new exhibits building.

The next meeting is to be held at the H.A. Hutchinson home on the second Wednesday of March and revision of fair books will be the main topic of discussion.

About 73 ladies from the village and surrounding district met at the Legion Hall basement to honor Miss Marlene Langer with a miscellaneous shower. Miss Langer is to be married on March 9th. The ladies played a few games of bingo and after the gifts were opened and displayed, enjoyed a delicious lunch served by the hostesses.

This week, the Wolf Cub Pack, instead of trying their luck fishing, went over to Entwistle to skate and play broom ball. It seems all had a very good time.

The Parent-Teacher Night held in the high school on the 16th was not too well attended. A cold turn in the weather may have been the reason for the below average attendance.

The Junior Senior High School Students' Union have now organized several curling groups and a bonspiel is under way. Quite a few of the students are quite enthusiastic about the whole affair.

Children grow up mighty fast. Before you know it, the little girl in the frilly organdy dress is a woman in blue jeans.

St. Anthony Saints Win Hoop Tourney

By NORMAN TUCKER

On February 24th, Edson School Division sponsored a Regional Basketball Tournament. The girls played at Wildwood and the boys played at Evansburg. It was a tremendous success, especially for St. Anthony's Saints as they achieved first place.

The six participating teams were: Drayton Valley Junior High, Seba Beach, Wildwood, Evansburg, Hinton and St. Anthony's.

The results of the games were: Wildwood 25, St. Anthony's 26; D.V.J.H. Huskies 28, Evansburg 23; St. Anthony's 28, Seba Beach 18; Evansburg 30, Wildwood 49; St. Anthony's 32, D.V.J.H. Huskies 23; Seba Beach 26, Hinton 11; Wildwood 46, Hinton 26.

The last game of the tournament was between St. Anthony's and the Wildwood team. St. Anthony's won the game 29-26.

The following individuals were chosen as the star players and each received a trophy: Donna Hook, St. Anthony's Angels; Brenda Swap, D.V.J.H.; Dale Law, Evansburg; Henry Kuster, Wildwood; Allan Hicks, D.V.J.H.; Norman Tucker, St. Anthony's Saints. The top scorer for the Saints was Jack Palmer with 47 points.

On behalf of St. Anthony's and D.V.J.H. I would like to thank Wildwood and Evansburg for the invitation to participate in the tournament. The Saints would like to thank Father Lynch for the fine coaching he has done for the team.

Miss Dianne Schuman, who broke her leg six weeks ago in figure skating class has had the cast removed. It is hoped that another cast will not be necessary and in the meantime Dianne will be on crutches for at least another month.

Miss Linda Cathrea and three other University of Alberta students will be attending the Women's Bonspiel here as competitor's on the second weekend in March.

Mrs. Edith Dunington had the misfortune to break her hand when she slipped and fell on some ice on her way to work at the bus station last week.

Seventy members of the Lutheran congregation held a surprise birthday party for their pastor, Reverend Drawbaugh, last Saturday evening in the basement of the church. Young people of the Walther League entertained with skits and songs. A gift of money was presented to Rev. and Mrs. Drawbaugh for their holiday fund. The Drawbaughs both come from California and hope to visit there this summer.

Have you heard that Mrs. Vi Heyland will leave in March for the Heyland home in Sicamous where she will plant her garden? How envious can I get?

Mr. and Mrs. Ernest Skavleba have moved back from Calgary. Mrs. Skavleba, formerly Ruth Veloshen, is working for Pan American again and Mr. Skavleba is in the Yukon.

Miss Margaret MacKenzie is representative for The United Church Observor". If you haven't as yet sent in your subscription the price is $2.00 and may be sent to Miss MacKenzie at Box 810.

Attendance at the town's annual meeting showed a sharp increase over last year. Last year twelve ratepayers came. This year fourteen showed up. No explanation has been given for this sudden upsurge of interest in the affairs of our town.

Mayor Robert Findlay, Secretary-Treasurer Wm. Johanneson, and Councillors Smith and Johnson were on hand to report. All questions were answered carefully and explanations were enlightening. Thank you, Messrs. Findlay, Johanneson, Smith and Johnson.

Mr. and Mrs. Claude Albert and Mr. and Mrs. Rene Coutu attended an operation renewal held at Sacred Heart Roman Catholic Church in Edson last Sunday. Guest speaker for the occasion was Father Spicer of Saskatoon. We are told that his address put spice in the meeting and made the whole thing very worthwhile. Mr. Elmer Abele of Edmonton was also a speaker and made a valuable contribution.

Mr. Cliff Gormley of Wainwright is visiting his mother, Mrs. Gormley and brother Michael.

Evansburg C.W.L. Holds Regular Monthly Meeting

The monthly meeting of the Evansburg C.W.L. Council was fairly well attended to hear Mrs. Hazel Fausak speak on Emergency Welfare Services and the importance of maintaining such a service in a community in conjunction with the Emergency Measures Organization.

Her main purpose in presenting these services to the group was to ask the ladies to consider taking part by becoming responsible for either the lodging or personnal phase of the operation.

Welcomed to the meeting were two new members Mrs, Reimer and Mrs. Boychuk.

With elections forthcoming a nominations committee was formed under the convenorship of Mrs. Corkery and with Mrs. Nagy and Mrs. Reimer as members.

Under the Spiritual Convenor, Mrs. Corkery, Mrs. Jwasko and Mrs. Cumming are to conduct study groups on the new changes in the church.

Plans were made to hold a St. Patrick's Tea and Bake Sale in the basement of the hotel on March 16th.

Members will canvass the village during the Red Cross Drive in March. Last year the donations from the villagers merited the group an "Over The Top" award.

Extra Library Hours Planned at Tomahawk

The Tomahawk Community Library met on Tuesday afternoon, February 6th in the library with eleven members present.

The following magazines will be renewed: National Geographic, Life, Childrens Digest, Chatelaine, Highlights Good Housekeeping, Jack and Jill and the North.

It was moved by the board that the Centennial book, "The Taming of the Canadian West" by Frank Rasky, be bought and placed in the library.

Two of the teachers in the Tomahawk School wanted the library open for one-half day more a week, preferably Monday morning, so that the students in grades six, seven and eight could get more use out of the library. Mrs. Coleman who is the school secretary, said she would open the library from 11:00 to 1:00 on Monday mornings on an experimental basis. The teachers' on the Tomahawk staff, at their last meeting, discussed having the library open and gave their approval.

Our library is short of shelf space for grades two to six books, so we agreed to bring up some of our old shelves from the basement, and by rearranging the books on the shelves it will give us more space.

Officers elected for 1968 are as follows: President, Mrs. Anne Reich, Vice-President, Mrs. Francis Gilbert, Secretary-Treasurer, Mrs. Hazel Overbo. Meetings are to be called for the fourth Tuesday of every month.

The library board have been asked to think about ideas for the next July 1st parade and we will discuss them at our next meeting.

F.M.H.S. School Flashes

By Bonnie McGaughey

After much 'arm twisting' we have finally been able to publish the third newspaper for this year.

Grant Mastre, editor, has submitted a very true and effective editorial relating to the spirit in Frank Maddock.

A students' executive meeting was held on Friday, February 23. We have decided to put the motto of the school, "Strive to Excel" on the crest but the design has not been settled. The students are also planning a 'Slave Day' for next week.

In basketball the Warriors came third in the Zone finals at Salsbury. Paul Kane came first and Salsbury was second. There were four teams entered.

The Spartans and the Warriorettes lost at Seba on Friday night.

The Badminton Ladder Tournament will be ending this week.

FMHS would like to thank Mr. and Mrs. Kokotoylo for helping to take the cheerleaders to Calgary a few weeks ago We apologize for missing them in the last article.

Edson Edges Clippers In First Game of Series

The Edson Legioneers edged the Drayton Valley Clippers 5-4 in the opening game of the Alberta Amateur Hockey Association Midget "B" Provincial playdowns series last Saturday evening. The game was played at the Centennial Civic Centre before a sparse gathering. It was the first of a two game total point series. The second game will be played in Edson next Saturday night.

Edson took an early lead in Saturday's game when Knetenan scored at 1:38 of the opening period. The Drayton team came back to take a 2-1 lead on two quick goals by Roger Bain and this was how the two teams stood after one period of play.

The second session featured the best hockey at the Midget level that we have seen this year. The period was scoreless until 19:00 when McNaughton dented the twine for Edson to make the score read 2-2.

Play was equally exciting in the third period when five goals were scored, three by the visitors and two by the home team. The period was only 30 seconds old when Knetenan sent Edson ahead and at the four minute mark Jerry Wilkes scored for the Clippers to make it 3-3. Marcoff scored for Edson at the half-way mark in the period but one minute later it was 4-4 when Ken Herbert scored on a beautiful play from Wilkes. McNaughton got the winner for the visiting team at 14:44 on a close in passing play from Knetenan. The Clippers tried desperately to tie the score in the dying minutes of the game but Edson was equal to the occasion and carry a slim one point lead into the final game at Edson, Saturday.

An irate customer called the waiter to his table.

"Would you please tell me what this is?" he asked.

"That's bean soup, sir," said the waiter.

"I don't care what it's been," said the customer. "I want to know what it is now."

Town Canvass Planned for Red Cross

March is Red Cross Month. Approximately 50 volunteers will canvass the town on behalf of the Red Cross early in March. In the past the citizens of Drayton Valley have been most generous and co-operative in supporting the Red Cross.

The Drayton Valley Red Cross has an objective of $800. Remember in time of need the Red Cross is always there through YOUR help. Let's all get behind our neighbors as they canvass and put Drayton Valley's canvass over the top.

Seba-Gainford News

The Senior Consul Playdowns for Zone 16 were held at the Lakeside Curling Rink on February 17th and 18th. Drayton Valley were the winners with the Seba Beach Rink runners up. May we congratulate skip B. Davies, third J. Hall, second F. Welch and lead E. Jones for the fine curling as our representatives.

On Friday, February 16th a Valentines Dance was held at the High School Auditorium. Miss Varlene Towers from Tomahawk was crowned the Valentine Queen with Miss Shirley Sawiski of Seba runner-up. The students report an enjoyable evening for all.

On Monday, February 19 Mr. and Mrs. Klaus Struck were critically injured in a head-on collision on Highway 16 near Wabamun corner. Both were taken to Royal Alex Hospital by ambulance. Gisala still remains under intensive care due to serious face and head injuries. Best wishes for a speedy recovery Gisala and Klaus come from the entire community.

WHAT TO DO FOR POISONING

Last week I talked about poisoning of small children.

Sometimes this can happen in a way you least expect. Recently, the newspaper carried an account of the deaths of 2 babies and illness of several others as a result of a compound that had been used to wash their diapers in the hospital. Apparently, the compound contained carbolic acid and its presence in the diapers was enough to cause death to the infants.

But what about the more common poisonings--from aspirins, cleaning compounds, furniture polishes and so on? What should you do if your child swallows a foreign substance? Find out the location and telephone number of the poison control center nearest you. Many large cities maintain such a center and usually a telephone operator will be able to direct you to them.

Do not induce vomiting if lye, drain cleaner, kerosine or strong acid has been swallowed.

Take the child to hospital emergency department and notify the doctor.

For other poisons give the child some milk and try to make him vomit by prodding his throat with the handle of a knife or spoon. Then call the doctor.

Senior Citizens Grand Opening

The newly-formed Senior Citizens Organization will hold their grand opening night Thursday, February 29th at 9 p.m. in the B.P.O. Elks Hall.

At that time all members of the executive of this senior citizens group will be duly sworn into office and the organization will officially become known as the Drayton Valley and District Senior Citizens Club.

This grand opening night is open to the public and all persons interested in this organization are cordially invited to attend. All senior citizens are requested to come to the hall around 8:00 p.m. in order to discuss membership and other matters pertaining to the progress of the organization and join the club if they so desire at that time.

A complete evening program is being planned for this official opening. Guest speakers will include Elmer Harrison Preventative Welfare Officer from St. Albert, Ralph A. Jespersen M.L.A., and Mayor of Drayton Valley, Dr. R.M. Findlay.

ENTWISTLE NEWS

MRS. E. OLIVER,
Correspondent.

A Valentine Dance was held at Seba Beach High School on February 16th and a good number of Entwistle children attended. The Valentine Queen was crowned and everyone had a good time.

It was learned here recently that Mrs. Ashdown formerly of the Magnolia and this district has passed away on February 17th.

On February 15th a fire was reported at the home of R. Brown. The pump house and feed shed were on fire. The pump house was destroyed and the feed house was not badly burnt. The fire was under control and the engine returned to the hall at 10:15 a.m.

Reports on Mrs. C. Jevne is that she is making progress but will be in the hospital for awhile yet.

Sympathy of our district goes to Mrs. J. Robinson on the recent death of her father Mr. Olsen.

The Entwistle 4-H Clothing Club sponsored a show put on by the Extension Branch on February 14th in the community hall. It was well attended with a question and answer period after the show. Lunch and coffee was served by the 4-H girls.

Bud Tufty won the Rolgard at the John Deere show held on February 15th.

The Entwistle Home and School will be having a Bazaar some time in April. The exact date will be announced later.

"What does this mean?" howled a customer in the Greasy Spoon Cafe. "There's an insect at the bottom of my cup!"

"Listen, Bud," said the proprietor, "If you want your fortune told, go see a gypsy."

Pembina 4-H Clubs Plan Many Activities

ZANE BRUNER,
Club Reporter

The February meeting of the Lobstick 4-H Beef Club and the Pembina 4-H Field Crops Club was held at the Garrard home in Wildwood on February 9th. Fifteen members and ten parents and leaders were present.

The group discussed the bonspiels to be held in Stony Plain on February 24th and in Edmonton on March 16th. Several of the members said they would go to these events.

The members decided on a skit for the rally to be held by the Stony Plain 4-H Council sometime soon. The members decided to sell Slow Moving Vehicle signs as soon as they get them.

We were told that public speaking lessons would be given to interested members and others and that these would be given at the Evansburg School.

Walter Myschuk then introduced our guest speaker, Mr. J. Monaghan from the Department of Youth. Mr. Monaghan spoke on "The Role of 4-H in the Community". He was thanked by Ted Bruner after which the meeting was adjourned and lunch was served.

The next meeting is to be at the home of Mr. and Mrs. Mazeppa at Evansburg.

KEEPHILLS NEWS

MRS. G. RAYMOND,
Correspondent.

Wayne Bacon was six years old February 26th and one of his prized gifts is a school lunch kit from his grand parents, Mr. and Mrs. Wayne Clark at Jasper.

Nelson Draves of Edmonton visited his neice Nora Dombrosky here on Saturday.

Mrs. Cora Bales from near Calgary was a weekend guest at her cousins, Mr. and Mrs. Roy Schweitzer. Nora Dombrosky is also a cousin and they enjoyed a family get together.

Colds and flu has subsided considerably recently and most children are back in school.

Garry Greanya is home from Edmonton where he has been attending school. Ruth Byrne is with her aunt and uncle at LeGrand's Store for the weekend. The teachers convention in Edmonton has provided them a holiday.

Mr. and Mrs. Bill Bryant have both been on the sick list.

Gordon and Sharon Bryant of Drayton Valley were guests of Mr. and Mrs. Art Bryant recently.

A young man asked his father, "Dad, is it possible for a woman to keep a secret?"

"Oh, yes," his father said. "Your mother and I were engaged for six weeks before she said anything about it to me."

Health Hints from THE CANADIAN MEDICAL ASSOCIATION

Among the few known factors that play a part in the cause of primary high blood pressure--hypertension--heredity is by far the most important. The Canadian Medical Association reports that an inherited defect of some sort is suggested.

It is a well-established fact that there are families with strong tendencies to hypertension. Individual members of such families will often show tendencies to high blood pressure early in life. These tendencies might include nose bleed, flushing of the skin, migraine attacks, palpitations and nervousness.

When the patient shows an elevation of his blood pressure during his first visit to a particular physician, the doctor may assume that the patient has unstable blood pressure. He has probably suffered for years from transient hypertension before permanent high blood pressure became established.

One survey indicating the importance of heredity revealed some startling facts. In families where the parents had normal blood pressure, only 3% of the children developed the disease. Where one parent was hypertensive, 28% of the children developed high blood pressure. When both parents were hypertensive, 45% of the children were later afflicted. It is obvious, concludes the C.M.A., that if a family history of hypertension is present, regular medical check-ups take on new importance or as one physician puts it:--"When it comes to high blood pressure children are advised to choose their parents carefully."

World Day Of Prayer

The Women's World Day of Prayer will be held on Friday, March 1st at the Church of God at 8 p.m.

The World Day of Prayer service this year was written by Mrs. Rathie Selvaratnam, Ceylon, Chairman of the Asian Church Women's Conference. The theme is "Bear one another's burdens."

A children's service will be held at 4:00 p.m. and a girls service at 5:00 p.m. at the Church of God. At all services a filmstrip entitled "Poor Man On a Throne" will be shown.

LODGEPOLE NEWS

MRS. C. KAY,
Correspondent.

Lodgpole Community Centre was the scene last weekend when a farewell party was held for John and Elsa Vanderleest.

The affair was sponsored jointly by John's fellow workers at Pan Am and Lodgepole Lions Club and Community Centre.

Mr. Herb Zander presented a gift of a pole lamp, on behalf of the Pan Am, while Mr. Leonard Kay presented an electric carving knife on behalf of the Community. John and Elsa came to Lodgepole as bride and groom. We will miss them, but know our loss is Airdrie's gain.

LOOK!

JANITOR SERVICE

Are you tired of doing your own JANITOR SERVICE. If so please write Box 120D The Western Review, Drayton Valley, Alberta.

IMPORTANT!

DO YOU HAVE PRE-1948 28mm. or 35mm. MOVIE FILM?

If so, it's almost certain that this film is printed on highly inflammable nitrate base film stock and, regardless of its age or condition, constitutes a very serious explosion and fire hazard. (Does not apply to 8mm. or 16mm. home movie film).

THE WARNING SIGNS
Yellow discoloration, fading of the image and undue brittleness are the first signs of decomposition. Later, the emulsion becomes sticky and the layers of film may weld together in a frothing mass, discharging an unpleasant odor.

FINAL STAGE
Appearance of acrid smelling brown powder.

WHAT TO DO
If you have old film in your possession, whether it shows signs of decomposition or not, act at once! Remove film very gently from any building and any source of heat. **DO NOT PLACE IT IN THE GARBAGE OR ATTEMPT TO DESTROY IT PERSONALLY.**

Write or Telephone:
K. D. Kremer, Chief Inspector of Theatres, Room 127, Natural Resources Building, Edmonton. Ask for an Inspector to come and identify the film, and if necessary, arrange for its safe destruction.

VIOLET GROVE

KEITH SODERGREN
Correspondent

There were 52 guests at the bridal shower held for Iris Heron last week.

Out-of-town guests attending Iris and Lee's wedding were: Dave and Unice Delworth from Sunrise Valley, B.C.; Donna and Wilf Paul from Red Deer, Alberta; and Levina Wahlund from Pibrock, Alberta.

There was a nice family gathering at the home of John and Helen Warsaba's. Tim and Valerie Bresenuik arrived from Fort McMurray, also Roger from Fox Creek. Mrs. Warsaba is leaving us for an extended visit with the Bresenuik's. Happy holiday Helen.

Marilyn Sodergren and Calvin Patterson were the guests of her parents last weekend.

Laurie Jones had the misfortune of rolling the Mustang by Lodgepole last week. It wasn't a case of erratic driving that she lost control but it was due to the icy road conditions. Although enough damage was sustained to the car, fortunately she nor her passenger were injured enough to require medical care.

It is nice to see Annie Look home again. How is everyone up North Ann?

Gloria Pequin is home from a brief stay in the hospital. Take care of yourself Gloria.

Warriors Win 41-25

On Tuesday, February 20th the FMHS Warriors travelled to Ardrossan High School for an exhibition contest and came home with a 41-25 victory over this Edmonton team of the North Central League.

It was a good contest with the local five showing a very solid defence. Offensively Larry Metelski and Keith Sodergren led the way with 12 points apiece. For Ardrossan Uren and Evans each hit for 6 points.

The Warrior's extended their season's record to 16 wins as against 1 loss. The team will be taking part in the annual Warburg boys tournament this Saturday.

EASYFORD NEWS

Mr. and Mrs. Albert Young of Edmonton spent the weekend visiting Mrs. Emily Devy.

We are glad to hear that Mr. Mike Vowk is home from the hospital.
